

Holly Ridge Elementary School

School Improvement Plan 2008-2011

Goal

All subgroups will meet or exceed high growth as measured by the North Carolina E.O.G. Test.

Implement research based best practices in reading for grades k-5.

Implement research based best practices in math for grades k-5.

Implement effective P.L.C.'s across all grade levels

Implement research based best practices in reading for grades k-5.

Goal

Students who meet the state standards in writing will increase from 62.61% to 70% as measured by the N.C. 4th grade Writing Test.

Utilize a consistent writing program in grades k-5.

Educate and communicate to students and parents about writing.

Goal

85% of parents will strongly agree/agree that communication of student learning is effective as measured by the Annual Parent Survey.

Communicate personal learning progress to parents.

Share content area goals and objectives with parents.

Goal

Teachers will rank H.R.E. above the state/district average in all domains as measured by the T.W.C.S.

Build a healthy environment that supports teacher recruitment and retention.

Routinely review support provided to beginning teachers.

The Holly Ridge Elementary School family, including students, staff, parents, and the community, will provide a safe, orderly, caring and academically challenging learning environment so all students will reach high academic growth while enhancing their physical, social, and emotional potential.
